

Music Powered Games, LLC Privacy Policy

Music Powered Games, LLC (Music Powered Games) has adopted the following privacy policy to insure the protection of the privacy rights of our users, including the protection of information collected through our products and services, including but not limited to the Shady Wars and TuneDash mobile games and associated websites.

Personal Information – Collection and Use In Our Games

Music Powered Games does not gather any personally identifiable data such as name, address, phone number, e-mail address from users of our products and services without the user's consent and notification. As you play our games, you may be occasionally asked to provide limited personal information so that the game can 1) enable additional features, 2) reward you with additional game currency, or 3) facilitate purchases from the App Store or Google Play. Any such information provided by you will only be used by Music Powered Games or its partners for the purpose of completing your purchases or delivering content that you have requested.

As you play our games, you may also choose to use personal information of others that is in your possession as a result of using other products such as social media app to contact them using our games. We will not collect, store or otherwise use this personal information other than to facilitate the communication you choose to initiate through our games.

If you are under 18 years of age or a minor in your country of residence, please ask your legal guardian's permission to use or access our products or services. Music Powered Games encourages parents and/or guardians to play an active role in their children's online experience at all times.

How we use your personal information

- We may use personal information to help us create, develop, operate, deliver, and improve our products, services, content and advertising, and for loss prevention and anti-fraud purposes.
- We may also use personal information for internal purposes such as auditing, data analysis, and research to improve Apple's products, services, and customer communications.
- If you enter into a sweepstake, contest, or similar promotion we may use the information you explicitly provided to administer those programs.

When your personal data is stored by Music Powered Games, we use computer systems with limited access housed in facilities using physical security measures.

Personal Information of Children

We understand the importance of taking extra precautions to protect the privacy and safety of children using our games. If we learn that we have inadvertently collected the personal information of a child under 13, or equivalent minimum age depending on jurisdiction, we will take steps to delete the information as soon as possible.

If at any time a parent or legal guardian needs to access, correct, or delete data associated their child, they may contact us [here](#).

Non-Personal Information: Collection and Use in Our Games

We also collect data that is associated with the use of our games on a specific device, regardless of the individual person using the device, so that we can better understand player behavior in order to deliver customized game content and to improve our products, services, and advertising.

- We may collect language, zip code, area code, unique device identifier, referrer URL, location, the time zone where our games are being used.
- We may also collect data on how our games are being played on a device such as the number of plays/replays of songs and game levels, when, how, and how often the device is used to play.

We may collect, use, transfer, and disclose this non-personal information for any purpose. If we do combine non-personal information with personal information the combined information will be treated as personal information for as long as it remains combined.

Third Party Terms and Conditions

Please note that your use of our games may be subject to certain third party terms and conditions and privacy policies, including but not limited to application stores, mobile software platforms, on-line gaming platforms, social networking services and payment providers. Information collected by third parties, which may include

such things as location data or contact details, is governed by their privacy practices. We encourage you to learn about the privacy practices of those third parties. You recognize and agree that Music Powered Games is not liable for any such third party terms and conditions and their use of your personal data.
